Dear Margaret and Roy

When we discovered that our 'usual' accommodation at Anne's Mum and Dad's had been taken by her brother we made plans to stay in the Travelinn near the Dobbie's Garden Centre.

For some reason we changed our minds and felt that it would be good to go somewhere where breakfast was part of the package. How glad we are that our plans changed resulting in our visit to the Old Manor.

We cannot speak highly enough of the standard of the accommodation and the warmth of the welcome. We are grateful to you both for making our stay so pleasant and for accommodating Jack for an overnight.

Anne was disappointed that she had to rush away on Sunday morning and would have liked to personally express her appreciation for everything.

Thank you so much for a good few days. We are hoping that we will miss out again on the room at Anne's Mum's so that we have an excuse to come back again!!

Very Best Wishes
